Ukraine, Lviv, May 27-28, 2021

## DEAR COLLEAGUES!

We invite you to participate in the VI Ukrainian-Polish Scientific Forum, which will take place in Lviv on May 27-28, 2021. The Forum will be held through the J. Monnet ERASMUS+ Project “EaP – Initiative – opportunities for Ukraine”.

Event organizers are the Institute of the Humanities and Social Sciences of the Lviv Polytechnic National University (Ukraine) and the Institute of Political Science of the University of Warmia and Mazury in Olsztyn (Poland).

This annual scientific event has become an effective platform for setting-up Ukrainian-Polish relations in the framework of educational and scientific area, institutes of civil society and state authorities of all levels.

The purpose of the Forum is to discuss topical issues of European Union’s Eastern policy on political, economic, security, humanitarian and socio-cultural dimensions and to find effective mechanisms for cooperation that will help to fulfil Ukraine’s European integration aspirations, to strengthen the Ukrainian-Polish cooperation and to disseminate the European values in the recipient countries of the Eastern Partnership.

## FORUM THEMATIC DIRECTIONS

- ✓ Prerequisites and Genesis of the European Union’s Eastern Policy development.
- ✓ Aims, tools and main implementation forms of the EU Eastern policy.
- ✓ Prospects for the development of EU cooperation with its eastern neighbors (foreign policy and security; economy and trade; education, culture and interpersonal contacts; democratization and internal reforms; regional and cross-border cooperation; decentralization and development of local communities, etc.).
- ✓ The experience of European integration of Central and Eastern Europe and the Baltics.
- ✓ Eastern Partnership as a key initiative of the EU Eastern European policy.
- ✓ Prospects for the development of EU Eastern policy in context of contemporary geopolitical challenges.
- ✓ The role of youth in supporting and disseminating the European values.
