

Information concerning presentations:

The commissioned papers will be presented during the plenary session on the first day of the conference to highlight the formal character of the anniversary event. The remaining participants will be able to present their achievements in the form of posters (A1 is the maximum format) during the panel discussion on the third day of the conference.

Please prepare one-page abstracts that will be run in the proceedings. The proceedings will be distributed to the participants on CDs before the event. Please forward your abstracts by e-mail to: justyna.biedulska@uwm.edu.pl by **31 May, 2014**.

Abstracts should conform to the following requirements:

- A-4 format,
- title in Polish and in English,
- full names of the authors,
- institution (University, Faculty, Department)
- Times New Roman font, 12 pt., line spacing – 1.0.

After the conference, the authors will have the opportunity to publish their papers in the *Technical Sciences* journal. The journal publishes original papers in the fields of agricultural engineering (Biosystems Engineering), civil and hydraulic engineering (Civil Engineering), Information Technology and Mechanical Engineering. Papers should be prepared in line with editorial requirements and sent by e-mail to the Conference office.

Conference charges:

- PLN 950,
- PLN 850 (doctoral students and degree students).

The charge covers the proceedings, the conference fee, accommodation in the Student Dormitory No. 9 (double rooms with bathrooms), board (including a gala dinner) and the off-site session (Wilczy Szaniec military headquarters in Gierłoż, Sanctuary of St. Mary in Święta Lipka – organ concert).

Payments should be made by 30 April 2014 by transfer to the following account:
