

3rd European EFFS-EFYR FreshProject

CONFIRMATION of EUROPONDS participation

To whom it may concern,

Within this letter we, the principal investigators of the **EUROPONDS** project, confirm the collaboration of young freshwater scientist **Dawid Dąbrowski**, member of *Polish Hydrobiological Society*, actively participating in our project mission. The project will be realized within 2 years framework (July 1st, 2020 to June 30th, 2022).

For additional questions feel free to contact us via the emails provided below, or on our official project email: europonds2020@gmail.com

The 3rd Collaborative European Freshwater Science Project for Young Researchers EUROPONDS was awarded by a joint initiative by the European Federation of Freshwater Sciences (EFFS) board, the European Fresh and Young Researchers (EFYR), and representatives of the Fresh Blood for Fresh Water (FBFW) meetings.

Sincerely yours,
