

3rd European EFFS-EFYR FreshProject

CONFIRMATION of EUROPONDS participation

To whom it may concern,

Within this letter we, the principal investigators of the **EUROPONDS** project, confirm the collaboration of young freshwater scientist **Marta Zawadzka**, member of *Polish Hydrobiological Society*, actively participating in our project mission. The project will be realized within 2 years framework (July 1st, 2020 to June 30th, 2022).

For additional questions feel free to contact us via the emails provided below, or on our official project email: europonds2020@gmail.com

*The 3rd Collaborative European Freshwater Science Project for Young Researchers **EUROPONDS** was awarded by a joint initiative by the European Federation of Freshwater Sciences (EFFS) board, the European Fresh and Young Researchers (EFYR), and representatives of the Fresh Blood for Fresh Water (FBFW) meetings.*
