Dear Professor
prof. dr hab. Martin Kramer
dhc multi Honorary Doctor
University of Warmia and Mazury
in Olsztyn

Dear Professor,

On the occasion of your being awarded by the Senate of the University of Warmia and Mazury in Olsztyn the highest academic honor – the honorary doctorate – I would like, on behalf of the institution I represent – the SGH Warsaw School of Economics – as well as personally, to extend to you my warmest congratulations and best wishes.

First and foremost, congratulations on this distinction granted to you by a distinguished Polish university, renowned particularly for veterinary medicine, conducting broad and multifaceted research activities, bringing together a group of outstanding and highly respected scholars, educating exceptionally talented students at the highest level, and boasting numerous achievements in this field of its activity.

However, I congratulate you especially for your beautiful and highly effective scientific and educational work, for promoting the most advanced imaging diagnostic methods, for achievements in surgery, for your publications of important textbooks, articles and research results, and for your professional activity, including your international engagement.

Please accept once again our congratulations and sincere wishes. I wish you, Professor, a sense of pride and satisfaction with your numerous achievements, joy and fulfillment from educating many veterinarians, outstanding diagnosticians and surgeons, from supervising veterinary medicine doctors, and from broadly sharing your knowledge and experience. In your personal life, I wish you good health, happiness, and every success.

*with highest respect and sincere
regards*
