Dear Professor
Prof. Dr. habil. Dr. h.c. mult. Martin KRAMER
Honorary Doctor
of the University of Warmia and Mazury in Olsztyn

Dear Sir

It is with great joy that I extend to you, Professor, my heartfelt congratulations on the occasion of being awarded the honorary doctorate of the University of Warmia and Mazury in Olsztyn. This prestigious distinction is a testament to the highest recognition of your outstanding scientific and educational achievements, as well as your contribution to the advancement of contemporary veterinary medicine.

Your scientific work, particularly in the field of small animal surgery, diagnostic imaging, and innovative treatment methods, exemplifies the highest standards of professionalism and commitment. Your accomplishments have a significant impact on shaping modern veterinary medicine in Europe and around the world. At the same time, they serve as an inspiration to young researchers, veterinarians, and students to deepen their knowledge, develop their skills, and take on ambitious challenges in the spirit of reliable professional practice.

The conferral of the honorary doctorate clearly highlights the importance of international collaboration and the mutual exchange of knowledge for the advancement of science. Your scientific activities, conducted in close cooperation with research centers in various countries, demonstrate how joint projects and interdisciplinary approaches contribute to the development of innovative solutions and the raising of standards in veterinary medicine globally.

May this exceptional honour be a source of pride and satisfaction, and at the same time an inspiration for further scientific, educational, and organizational endeavors. I wish you continued success in the years to come, the opportunity to realize new research projects, and the chance to keep sharing your knowledge and experience with young scholars both in your home country and abroad.

Please accept my sincere congratulations, expressions of deep respect, and best wishes for good health and every success in your professional and personal life.
