Poznań 1<sup>st</sup> October, 2025

Professor

**Martin Kramer**

University of Warmia and Mazury in Olsztyn

*Distinguished Professor!*

On behalf of the Poznań University of Technology and myself, please accept my warmest congratulations on the occasion of being conferred the distinguished degree of DOCTOR HONORIS CAUSA by the University of Warmia and Mazury in Olsztyn.

Your outstanding contributions to the field of veterinary medicine, particularly in the development of diagnostic imaging and small animal medicine, have set new standards of excellence and significantly advanced both clinical practice and scientific knowledge. Your pioneering work has not only enhanced veterinary care but has also created bridges between research and practical application, bringing tangible benefits to both animals and society.

Beyond your remarkable scientific achievements, your dedication to teaching, international collaboration, and the mentorship of younger generations of veterinarians is deeply inspiring and underscores your commitment to the advancement of global veterinary science. Your career exemplifies the highest ideals of scholarship, innovation, and service.

Please accept my heartfelt wishes for your continued professional success, good health, and many more years of fruitful contributions to veterinary medicine and the scientific community worldwide.

Yours sincerely,
